FIRST IN RESULTS TO ADVERTISERS

NUMBER 15

Public to See Antioch's New White Way First Time Friday, Nov. 17

Special Ceremony to Accompany Throwing of Switch by Mayor

Antioch's new white way will be given public showing for the first time Friday evening, Nov. 17.

Promptly at 6 o'clock Mayor James McMillen will throw the switch which will flash over the business section of Main and Lake sts. the 14 new Westinghouse mercury-vapor lamps.

The Lions club, city officials, and local merchants will join in making the event memorable and since the stores will be open that evening merchants will offer special sales and other inducements to make the trip to the downtown section profitable on that afternoon and evening.

Irving Carey, president of the Lions Club, has been active on the committee for installation of the lights, and is chairman for the arrangements for the ceremony of turning on the new lights.

The new lights will be ready for use Monday, but the first use will be delayed until Friday evening.

The project was promoted by the Lions club which subscribed \$2,500 of the total cost of \$7,600. The village will pay \$2,500 and the remaining \$2,600 has been subscribed by merchants whose business places are benefitted by the lights.

The 14 standards and lights have been erected by the Hyre Electric Co., in a staggered fashion to give the streets the full benefit of the bright lights.

A plan to stage a public dance and have an extended program was given up for this fall because the delay in installation ran the event into cold weather.

Armistice Day Observance to Take Place Sat.

Program at H. S. Friday at 2:30; Parade to Park Sat.

The American Legion post Armistice Day observance will take place on Saturday at 11 o'clock, with a parade from the High school grounds to the village park. A short program at the park will include a fire salute, a prayer and taps.

On Friday the Legion will conduct a program at the Antioch high school. The program will open at 2:30 and will be open to the general public.

Featured will be a film entitled "Operation Cross Roads", which deals with the Atomic experiments at Bikini island. The film is a U. S. Navy production.

The high school band will present several selections, and a prayer will be offered by Legion Chaplain, Rev. Fr. Roberts E. Ehrigott.

Junior Class Play Nears Final Practices Ready For Production Nov. 16

Now in their fourth week of practice the Junior class of the Antioch High school will commence to put the finishing touches to its play, "Beyond Reason," which will be presented to the public Thursday and Friday evening, Nov. 16 and 17. The play is under the direction of Mrs. Jeanette D. Tulumello, who has directed class plays for several years here.

The director reports that the evening's entertainment will be well worth while, for if comedy is desired, it is provided by the negroes who believe in spirits. Mystery thrills, and chills are supplied in the strange sanatorium which is the setting.

The sanatorium is operated by Dr. Wilfred Steele, who conspired with wealthy persons to have declared insane those who are to inherit a fortune so that he and the other conspirators may share in the inheritance. The sanatorium itself is insanity producing.

Tickets are being sold by the class members and will be sold at the door the evenings the play is produced.

The Juniors are urging people of the community to attend and spend an enjoyable evening. Besides the play there will be select musical numbers by the high school band under the direction of Hans Von Howede.

Antioch High Ends Bad Season in Football in Loss to Barrington H. S.

Antioch High school turned its interest to basketball this week after one of its poorer football seasons in which they won but one game.

The season ended at Barrington Saturday with a 53-12 victory for the Broncos and their third undefeated season in the Northwest conference.

The Sequoia while yielding many points to Barrington, was as fortunate as any other team in the conference in scoring against the Broncos. The two touchdowns were made on passes from Haviland to Lubkeman, but in neither occasion was the extra point added.

Grant, beaten the week before by Barrington, beat Palatine there 27 to 6 and Ela beat Wauconda 12 to 0.

Manual Arts Program Instituted in Limited Form for Upper Grades

A limited program of manual arts training is starting at the Antioch grade school for sixth, seventh and eighth grade boys under the direction of Stuart Good.

When materials arrive the wood working will be conducted at the Scout house.

The seventh grade had an opportunity to observe that kind of work done at an industrial school in Milwaukee on Tuesday. The teacher, John Wilson took the class there to see the work done by pupils of that school.

The upper grade boys interested in basketball met at the high school last evening for their first practice. They will enter inter school competition later.

All of the pupils are engaged this week in the collecting of candy bars to be sent to the patients at the Veterans Administration hospital at Downey.

The youngsters are also selling tickets for the card party to be conducted by the Parent-Teacher association Friday, Nov. 17.

Mrs. Amos P. Bratrude Fatally Injured in Car Accident Near Wheeling

Dr. Bratrude in Hospital With Broken Arms and Shoulder

Mrs. Grace Bratrude, one of Antioch's well known and highly respected women, was fatally injured last Saturday afternoon and her husband, Dr. Amos P. Bratrude badly hurt in an automobile accident at the intersection of Rtes. 83 and 68, west of Wheeling.

The Bratrudes were on their way to Chicago to spend the weekend with friends and were crossing Rte. 68 when their car was struck in the side by the car of Malcolm L. Hill, 28, of Lake Zurich. Hill and his wife were not badly hurt.

All four of the injured were taken to Hines Veterans Administration hospital where Mrs. Bratrude died of her injuries at 7:30.

Dr. Bratrude is suffering from a fracture of both arms and one shoulder and he probably will be in the hospital two months. Mrs. Hill was removed to a hospital at Evanston and Mr. Hill left the Hines hospital after receiving first aid treatment.

Mrs. Bratrude was born in East Troy, Wis. Oct. 23, 1898 and was 52 years of age. She was a registered nurse, graduating from the Presbyterian hospital in Chicago. She and Dr. Bratrude lived in Minnesota before coming to Antioch 14 years ago. He is a medical rating specialist for the Veterans Administration in Chicago.

As a member of the Antioch Methodist church Mrs. Bratrude was active in the Women's Society of Christian service and was a member of special committees of the church. She was a member of the Antioch Library board.

Surviving are the husband, two sons, Amos P. Bratrude, Jr., pre-medical student at the University of Illinois, and Donald Bratrude, a graduate student at the University of Wisconsin; and a granddaughter, Pamela Susan, daughter of Mr. and Mrs. Donald Bratrude.

The funeral was held privately Tuesday by the family.

The Lions club will meet Monday evening at the Northshore Gardens. Attendance buttons will be given along with keys to key members.

Permit for Construction Of Postoffice Building Costing \$42,000 Issued

Frank Nejdil given Contract By Joseph Moulis for The Job

A permit to construct a new \$42,000 building to house the Antioch postoffice and four stores was granted Joseph Moulis, Riverside, Ill., by the village board Tuesday evening.

Frank E. Nejdil is the contractor in charge and he is expected to start work on the footings by next week. The building will have a total frontage of 95 feet on Lake st., at Victoria st., with a depth of 60 feet. It will be constructed of cement block with a stone front similar in appearance to that of the Williams store.

The postoffice will occupy the corner store with a frontage of 44 feet 11 inches. The four stores will be paired through double entrances and will have individual frontages varying from 13 to 18 feet.

Moulis said he is not ready to announce the probable tenants in the store rooms but expects to find a ready demand for them.

The postoffice must be completed by spring ready for occupancy.

The village board had its meeting Tuesday evening instead of Wednesday as was planned. The board met in the basement of the fire station because the village hall was in use as a polling place.

Joe Anzinger Burned in Flash Fire on Dredge At Ackerman Project

Joseph Anzinger, 40, of Grass lake was badly burned about the face, hands and legs at 12:30 p. m. Tuesday in a flash gasoline fire on a dredge at the Charles Ackerman reclamation project west of the village on Rte. 173.

Anzinger, employee of Ackerman over a period of 20 years, was taking his noon hour to clean up the dredging machine ready for an inspection and was alone at the time, his work companion, Jack Flanagan having gone to vote.

He poured some gasoline in a pail from a can in the cab of the dredge to clean a filter and had set the can down and turned around just in time to receive the puff of the flames that started like an explosion. What the fumes of the gasoline caught from is not known.

Seeing he could not get out the door because the fire obstructed his way, Anzinger jumped out a back doorway which fortunately was open, dropping 7 feet to the ground. He rolled in the grass and dirt in extinguishing the fire in his clothing, and then went in his automobile to a filling station at Rte. 173 and 59 where he had attendants turn in the fire alarm because the dredge was burning. He then went alone to the office of Dr. I. L. Breakstone in having his wounds dressed. Member of the Antioch Rescue squad met him on the way and gave aid.

He was taken to Victory Memorial hospital, Waukegan by Mrs. Anzinger, who is employed there as a nurse.

The dredge was badly damaged, but not beyond repair. Chief Edgar Simonsen placed the loss at \$300.

Lake Villa Youth Hurt

Robert Gray, 19, of Lake Villa, was injured early Sunday when his car left the pavement and turned over near the intersection of Rtes. 21 and 173. He said that he was blinded by lights of an approaching car and lost control of his auto. He was treated for knee and head injuries by the family doctor.

Settle Rent Rates Amicably

Miss Betty Jean McDougall, Rte. 173, a student at the University of Illinois, is one of three Lake county 4-H members winning State Achievement honors. She will receive a free trip to the National 4-H congress, Chicago, Nov. 26 to Dec. 2 for the dress revue contest. Other winners were Miss Orpha Crook, Round Lake, and George Connell, Jr., Zion.

Open House Reminder
Local residents were reminded today of the open house at the Antioch Township library from 2 to 9 p. m. Friday, Nov. 17. The public will be able to inspect the library's new home at that time.

HOW THEY VOTED

	1	2	3	Lake Villa	County Tot.

Mrs. Fields Expects to Rebuild; Says too Early For Plans at This Time

While she expects to rebuild her store building which was ruined by fire last Thursday, Mrs. J. B. Fields of 274 Parkway said that it is too early yet for her to form any definite plans of what she intends to do in the matter.

The building still is in practically the same condition it was when the last spark was extinguished. The process of salvaging the contents and adjusting the insurance for the store keepers was just started yesterday, and insurance on the building itself has not yet been settled.

Some of the former occupants of the building have announced temporary plans.

The Illinois Bell Telephone Co., has established its office in the Robert Wilton property at 940 Victoria st., where it was formerly situated.

Hazel Hawkins will reopen her Smart Set Beauty Shop Monday at 601 N. Main Street.

Dr. Lutterman, dentist, will announce his new location later, and Dr. A. N. Berke is receiving calls at his home phone for the time being.

O. E. Hachmeister, owner of the Quality Meat Market, reports that although the fixtures of his market are a total loss, that some salvage is possible. He estimates that about 10% of the cost of the merchandise will be recovered. No plans to reopen the market have been made to date.

Wins Achievement Award

Miss Betty Jean McDougall, Rte. 173, a student at the University of Illinois, is one of three Lake county 4-H members winning State Achievement honors. She will receive a free trip to the National 4-H congress, Chicago, Nov. 26 to Dec. 2 for the dress revue contest. Other winners were Miss Orpha Crook, Round Lake, and George Connell, Jr., Zion.

Open House Reminder

Local residents were reminded today of the open house at the Antioch Township library from 2 to 9 p. m. Friday, Nov. 17. The public will be able to inspect the library's new home at that time.

100 Out for Basketball On Varsity, Class Teams At Antioch High School

More than 100 Antioch Township High school boys are trying out for basketball on varsity or class teams this week.

Twenty-eight answered the call from Coach Richard Scott for the varsity in preparation for a 17-game school that sandwiches a holiday tournament. The squad will be cut to 16 within two weeks.

Twenty are out for the sophomore team which will play preliminary games to all of the varsity games. More are expected to try out later this week.

It appears that all of the boys in the freshman class are wanting to play basketball this year for 55 showed up for practice this week.

This is the first time that freshman have been offered interschool competition and they are taking to it like a duck to water. They will play the freshmen of some other school each Monday evening, Maurice Kruzan, in charge of athletics, said.

The varsity schedule for the year, including games besides conference games, contests with Grayslake and Richmond, is as follows:

1950-51 Basketball Schedule
Wednesday, Nov. 22—Antioch at Wauconda.

Tuesday, Nov. 28—Northbrook at Antioch.

Friday, Dec. 1—Barrington at Antioch.

Saturday, Dec. 2—Grayslake at Antioch.

Friday, Dec. 8—Antioch at Grant.

Saturday, Dec. 9—Antioch at Richmond.

Friday, Dec. 15—Antioch at Palatine.

Saturday, Dec. 16—Bensenville at Antioch.

Friday, Jan. 5—Ela at Antioch.

Friday, Jan. 12—Wauconda at Antioch.

Friday, Jan. 19—Antioch at Northbrook.

Friday, Jan. 26—Palatine at Antioch.

Saturday, Jan. 27—Antioch at Bensenville.

Friday, Feb. 2—Antioch at Barrington.

Friday, Feb. 9—Grant at Antioch.

Saturday, Feb. 10—Antioch at Grayslake.

Friday, Feb. 16—Antioch at Ela.

Republicans Gain Smashing Victory In County, State

Veteran Nick Keller Out As Assemblyman by Close Margin

Republicans all but made a clean sweep of the county and state offices in Tuesday's election and what was true of Illinois was mostly true of other states of the nation.

Democrats salvaged their only office in Lake county through the election of Tom Bolger, McHenry, as assemblyman from the eighth senatorial district.

At the same time the veteran Republican assemblyman, Nick Keller, gave way to Robert McClory, Lake Bluff attorney, a newcomer in the Republican list of candidates, while Republican Harvey Pearson maintained his office as assemblyman along with Bolger.

Republican Everett M. Dirksen smashed to a 280,000 vote victory over Democratic leader Scott W. Lucas for the U. S. Senate and the whole state Republican ticket was carried along with him.

Mrs. Margaret Stitt Church will succeed her husband, the late Ralph Church, as congressman through a wide majority.

The Republican victors in the county are: Minard Hulse, county judge; Garfield Leaf, county clerk; Charles Jack, probate judge; Allen Nelson, probate clerk; Hugo L. Schneider, Jr., county treasurer; Walter Atkinson, sheriff; and W. C. Petty, county school superintendent.

The Gateway amendment drew a 4 to 1 favorable vote, but in the county the proposal for a county board of health was defeated by a ratio of 9 to 7.

Antioch was in step with the balance of Lake County with the exception of the Health department measure, which won in Antioch's three precincts to the tune of 1066 for and 839 against. In most other contests, local voters were of the same mind as the majority of the county's voters.

Nick Keller, candidate for reelection to the General Assembly, was topped by both Pearson, who polled the top vote for the office here, and by McClory who was second high.

A tabulation elsewhere in this issue shows the vote of Antioch and Lake Villa.

Millburn Turkey Dinner To Be Given at Church Friday, November 17

Sponsored by Millburn Masonic Temple Association

The annual Turkey dinner sponsored by the Millburn Temple Association will be held in the Millburn church Friday evening, November 17, serving from 5 to 8 p. m. In connection with the dinner a Fall Festival will be held in the Masonic Temple in Millburn. Mr. Phil Anderson, president of club announced.

Telephone Co. Wants Pay Station Calls to Bear 10 Cent Minimum

Illinois Bell has asked the Illinois Commerce Commission for permission to increase the five-cent public telephone call to ten cents.

There will be no increases in basic rates now in effect for residence customers or for flat rate or message rate business customers and no increases in long distance or suburban toll rates. Minor changes are proposed in a few instances other than the public call rate.

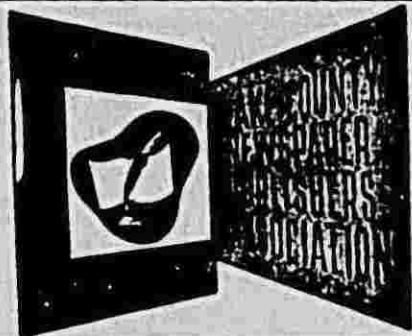

G. K. McCorkle, president of the company, said, "This action would end the 1948 rate case litigation and carry out the decision of the Winnebago County Circuit Court at Rockford, avoiding further expensive proceedings which have already been in process for nearly a year. We consider the new tariffs consistent with the Court's recent decision that the company was entitled to more revenue from its 1948-49 showing of facts. Ninety-seven percent of the company's

A Big Fight

The National Retail Dry Goods Association has urged all retailers to help in the fight against price inflation by doing, among other things, the following:

1. Avoid all unjustifiable price increases in their own operations.
2. Resist unwarranted price increases in their purchasing from suppliers.
3. Carefully avoid in their advertising and selling all statements which prompt consumers to buy merchandise in quantities larger than their current needs.

This is a sound program, and it is a safe bet that the great majority of the country's retailers will be more than willing to follow it. It is to the great credit of the industry that relatively few retailers took advantage of the ridiculous—and unpatriotic—wave of scare buying that occurred when hostilities in Korea began. Most retailers did all they could to oppose it. Both chains and independents stressed the fact that there would be no real shortage of anything if consumers simply kept their heads and bought in normal amounts. Many retailers went to ingenious

length to make the hoarders feel ashamed of himself. Many of them also refused to fill orders for goods which were of a size beyond all reason.

As a matter of fact, retailing has always been a leader of the forces which have opposed inflation, in peacetime and in wartime. This is sound business for the retailer as well as sound policy for the country. It does no one any good to make a quick and temporary profit under conditions which threaten the solvency of the nation and the value of the people's money. Retailing, on its record, can be trusted to fight price increases to the limit of its ability.

Fight Fire Every Week

A short time ago, the 1950 observance of Fire Prevention Week took place. It is officially over. But, if Americans are at all interested in the health and welfare of themselves and their families, they will make every week a fire prevention week.

Safety from fire—whether in the home, on a farm, or in an industrial plant—can only be achieved by continuous, day-in-and-day-out work. That doesn't mean it's a hard job. It isn't. For the most part, it's easy. But it is a job which can never be neglected if we wish to avoid possible disaster.

The home which is safe today can be extremely dangerous tomorrow. An electric wire becomes frayed—a stove or a heating plant goes out of adjustment—someone is careless with cigarettes—flammable materials are carelessly stored in closets and attics—explosive liquids and oil-soaked rags are placed where the touch of a spark would set them ablaze. It is "little things" such as these that are responsible for the majority of fires. And it is these "little things" which we must look out for—not during one week, but every week of the year.

The nation's fire loss continues at disgracefully high levels. Far worse is the fact that, each year, fire claims something like 10,000 lives—many of them infants and children. Many thousands more are permanently maimed and disfigured. This is the price we pay for our carelessness and ignorance. This is the grave problem which the annual fire prevention weeks are designed to help us solve. We can do it, if we only have the will.

WILMOT

Mr. and Mrs. Marlin Schnurr attended the Florist meeting at the Schroeder Hotel at Milwaukee Sunday.

Bertha Harms received the announcement of a daughter, born Nov. 3, at the Woodstock hospital to Mr. and Mrs. Melvin Harms. She has three sisters to welcome her.

Mr. and Mrs. Duane Ehlert, Burlington, were Sunday supper guests of Mr. and Mrs. John Ehlert.

Wilmot High school football team defeated Rochester 39-0 Wednesday evening. Monday basketball practice started.

Regular P. T. A. meeting will be held Monday evening, 8 p. m. (Nov. 13).

Mr. and Mrs. Alvin Pagel and family spent Saturday evening with Mr. and Mrs. Francis Hunt, Salem.

Mrs. Alvin Pagel and Frieda Pagel attended the shower Friday evening for Mrs. Wion Speaker, Jr., at Mr. and Mrs. Russell Ehlert's.

Mrs. Alvin Pagel and family, Frieda Pagel spent Sunday afternoon with Mr. and Mrs. Elmer Frank, Bristol.

Mr. and Mrs. Gust Neuman attended the wedding of Roy Pringle and Barbara Kirchner, at Bristol, Saturday evening.

Mr. and Mrs. Earl Schalee, Woodstock, Mr. and Mrs. Roy Haller, Ke-

nosha, spent Sunday with Mr. and Mrs. Cyril Pacey.

Word was received from Iva Kimball that she has an apartment at St. Petersburg, Fla.

When you have an automatic electric clothes dryer, your clothes drying problems will be solved. All you'll do is set the automatic controls for the length of time you want the clothes dried. You'll take sheets and shirts out with just the right dampness for ironing... tee shirts and bath towels come out bone-dry and ready to be put away.

You won't have to wait for the weatherman when you have an automatic electric dryer. Washday is any day... or any hour. You'll just take laundry from the washer and pop it into the dryer... where it's always sunny.

Close your eyes and think of it... a washday with no heavy laundry baskets to carry... no putting up clotheslines... no being careful about hanging things in the shade. And the air inside an automatic dryer is always clean, no bugs or soot to brush off before you iron. Get an automatic clothes dryer!

SOCIETY EVENTS

B. P. W. CLUB PLANS CHRISTMAS PARTY

Miss Nita Benedict, history teacher at the Warren Township high school, gave an interesting talk on "The Issue of the Campaign," and the "Gateway Amendment," before the Antioch Business and Professional Women's club, Monday evening, at the Scout Home. Mrs. Robert Palmer of Highland Park, and a member of the Business and Professional Women's club spoke on the County Health Program. The speakers were introduced by Mrs. Fern Lux, legal action chairman. A delicious luncheon was served following the meeting by Mrs. Barbara Holbek and her committee. The next meeting of the Club will be a Christmas party and potluck supper. In place of the usual exchange of gifts the members are asked to bring articles of clothing, which will be sent overseas. A meeting of the executive board will be called by the president, Miss Iris McKinney, for Tuesday evening, Nov. 14, at 7:30 at the Antioch Township Library.

As a project the club will pack packages, costing approximately \$2.50 for Christmas on the High Seas program. The members are asked to contribute articles such as gum, life savers, wallets, toothbrushes, razor blades, pipes and pipe tobacco, stationery, cigarettes, soap, handkerchiefs, wash cloths, camphor ice, nail files, combs, pocket size books, decks of cards, writing portfolios, pencils with clips, photo folders and small games. The articles should be left at the Antioch Library not later than Wednesday, November 15.

METHODIST WILL HOLD ALL-CHURCH NIGHT TUESDAY

New members will be feted. A potluck dinner and program will be held in the Methodist church of Antioch next Tuesday evening at 6:30 p. m. The program will be designed to welcome the new members who have been recently received into the church. There will be a special program and movie including introductions of the heads of various departments of the church who will tell briefly of the work of their particular groups.

The all-church night is for both members and non-members and it is hoped that constituents and members will both attend. Those attending the dinner are asked to bring their own table service. Coffee, cream and sugar will be provided.

Vote on New Addition Sunday
A congregational meeting of all members 21 years of age and older will be held following the morning service Sunday to vote on plans for the new educational addition for the local church. The architect, William Hooper, of Waukegan, will be present to answer questions.

The Building Committee announced this week that one or more of its members will be in the church on both Friday and Saturday nights from 7 o'clock until 8:30 to answer questions and interpret the drawings. The drawings are on display all week in the Intermediate Department of the Church School, located directly off the sanctuary. All are urged to study the plans before the congregational vote is taken Sunday morning.

Receive New Members
Ten new members were received into the church at the service on Sunday morning. They were Miss Beverly Baird, Mr. and Mrs. Richard Edmundson and daughter, Carmen, Mr. and Mrs. Carl Hatendorf, and Mrs. Marie Dosedel, Mr. and Mrs. Ronald Polson and Mr. Roger Williams.

Two infants were baptized at the morning service. They were: Kathy Louise Heath, daughter of Mr. and Mrs. Marvin Heath and Timothy Lee Willett, son of Mr. and Mrs. Robert Willett.

V. F. W. AUX. TO HOLD XMAS PARTY AT DOWNEY

Mrs. William Hallwas and Mrs. Myra Randall, president of the local V. F. W. Auxiliary, visited Mr. Hallwas, who is a patient at Downey hospital, recently. They reported that his condition is much improved and he expects to be home by Thanksgiving. They also visited the Veterans of Foreign Wars headquarters at the hospital and left cosmetic bags and sewing kits to be distributed to the patients at the hospital. Mrs. Laura Swanson, Unit hospital chairman and chairman of the recent card party and the Unit members wish to thank everyone who so generously helped to make the party a success. The proceeds will be used for a Christmas party to be held for the patients of the McIntire department at Downey on Sunday, December 3.

R. N. A. OFFICERS CLUB HOLDS MEETING WED.

The officers club of Olson Camp, Royal Neighbors met in the home of Mrs. Charles Wertz, Rte. 173, Tuesday evening. Mrs. Frieda Wertz was assistant hostess. Five hundred was played and the card prizes were won by Mesdames William Rosing, Mary Runyard, T. M. Palaske, Leslie Heath and Frieda Wertz. Refreshments were served by the hostesses.

Library Notes

Betty Crocker's Picture Cook Book is designed to be a delight to all cooks, a boon to the bride and also a great help to the old hand in the kitchen. Over 1300 pictures illustrate the 2161 recipes, which have been tried both in the famous Betty Crocker kitchens of General Mills and in homes throughout the country. The pages of this fascinating cook book contain, besides recipes, many colorful stories on the origins of recipes and entertaining bits of food history. Betty Crocker's Picture Cook book was given to the Antioch Township Library in memory of the late Mrs. J. C. James. "Drawn from Memory" is the autobiography of the Indiana born cartoonist of the Chicago Tribune, John T. McCutcheon. His reminiscences of almost 50 years of newspapering, which included as much globe trotting as he could manage, are illustrated with many of his well-loved sketches and cartoons. Midwest readers will enjoy his anecdotes about George Ade, Eugene Field, his novelist brother George Barr McCutcheon, and many others, either famous or unusual. "Drawn from Memory" was given to the library as a memorial book for Alfred J. Pedersen.

ANTIOCH WOMAN'S CLUB HEARS TALK ON HATS

Mrs. Edward McDonald, a Peoria farm woman who has made hats her hobby addressed the Antioch Woman's club Monday afternoon, her subject was "Fun with Hats". She illustrated her talk by using materials which she supplied, giving many tips on how to improve your old hats at little expense. Her talk was humorous and entertaining. Mrs. Joseph Horton, committee chairman, served a lunch following the meeting assisted by her committee.

LEGION AND AUX. MEMBERS TO HOLD POTLUCK SUPPER

Members and their families of the American Legion Auxiliary and of the Legion Post and their families will hold a potluck supper in the Legion Home Saturday evening, November 11, at 6 o'clock p. m., in observance of Armistice Day.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. Fred C. Miller, Antioch Township have announced the engagement of their daughter, Marion Annette to Mr. Robert January, son of Mr. and Mrs. Ernest January of Antioch. The wedding date will be announced at a later date. Robert is in the U. S. Army and is stationed at Camp McCoy, Wis.

PARENTS OF DAUGHTER

Mr. and Mrs. Melvin Harms, of Lake Villa, are the parents of a daughter, born November 3, at the Woodstock hospital. Mrs. Harms is the former Miss Evelyn Rambow, the daughter of Mr. and Mrs. Albert Rambow of Antioch.

MR. AND MRS. KEULMAN PARENTS OF DAUGHTER

Mr. and Mrs. George Keulman are the parents of a daughter born Thursday, November 2, at Victory Memorial hospital.

W. S. C. S. WOMEN TO HEAR PAUL CATON SPEAK

The Rev. Paul Caton, pastor of the Halsted Street, institutional church of Chicago will speak on the subject "Discipline From Within" at a meeting of the Women's Society of Christian Service at the Methodist church Wednesday, Nov. 15. A dessert luncheon will be served at 1:30 by Mrs. D. N. Deering and her committee. Mrs. Bernard Guillaume will have charge of devotions. Women from churches of this area have been invited to be guests at this meeting. On November 16 the Society will be guests of the Ringwood Methodist ladies at Ringwood.

M. Y. F. NEWS

The Young Peoples group of the M. Y. F. plan to show the second in a series of movies on the life of Paul, Sunday Nov. 12, entitled "The Conversion of Saul", this film graphically tells the persecution of the followers of Christ by Saul of Tarsus in his determination to stamp out the movement.

A true account of the conversion, faithful to the Gospel story given in Acts. IX and ending with the restoration of his sight as Ananias leads Saul to be baptized.

M. Y. F. will start at 6 p. m. with the movie on Paul, worship service and recreation for the evening.

The Intermediate M. Y. F. will meet Sunday afternoon at 3 o'clock for games before seeing the movie. A collection will be taken to defer expense of movie.

Dr. and Mrs. Lloyd Davis of Oxford, Massachusetts, were guests of Dr. and Mrs. Deering and sons Tuesday.

Card Of Thanks

I wish to thank all of my kind friends and neighbors for the many cards and gifts sent me while in the hospital.

Mrs. Earl Harms

Kirby to Address Men Of Holy Name Society

The members of the Holy Name society of St. Peter's church will take communion at 8 a. m. Sunday and meet afterwards at a breakfast during which William T. Kirby, noted Chicago lawyer will speak on "Famous Jury Trials in Lake County."

New Christmas Seal To Be Mailed Soon Has Pictures of 3 Children

Three angel children, one singing and the others playing musical accompaniment, are featured on the green and red Christmas Seals which are being prepared for mailing to Lake County residents at headquarters of the Lake County Tuberculosis Association, Mrs. Gerard Fossland, seal sale chairman said today.

The designer of the 1950 seal is Andre Dugo, internationally noted artist who gained fame in Hungary and Paris for his painting before he came to America in 1939. This is the second time that he designed the Christmas seal, his first appearing in 1943.

According to Mrs. Fossland, Mr. Dugo's explanation of his selection of motif for the seal is that he loves children. His three angel children are characteristic of his work, and could represent a trio of small citizens in any American community.

Mr. Dugo's love for children has also led to his success as a writer and illustrator of children's books. Mrs. Fossland said. His first book, "Pete the Crow" was chosen by the Literary Guild for its juvenile selection in October of 1949. His next book, entitled "Cinnamon," the story of a cocker spaniel, went on sale recently.

In addition to the children, the 1950 seal features the red double-barred cross, registered insignia of the National Tuberculosis Association, with which the Lake County Tuberculosis Association is affiliated. The double-barred cross appears on each seal every year, although the general design of the seal is different for each campaign, Mrs. Fossland said.

ALTAR AND ROSARY SOCIETY TO HEAR TALK ON CANCER

Dr. C. P. Midgley will be guest speaker at a social meeting of St. Peter's Altar and Rosary Society Monday evening, Nov. 13 at 8 o'clock at St. Peter's hall. In connection with the meeting the ladies will hold a baby shower for babies at St. Vincent's Orphanage. Members are invited to bring their friends.

NEXT TIME FIRE HITS, IT MAY BE YOUR TURN!

Nobody knows where or when Fire will strike next or how much it will cost to repair the damage or replace the property destroyed.

That's why being careless about insurance protection just doesn't make sense.

Remember, Fire's next stop may be at your place. And, if you're caught without insurance coverage... adequate insurance coverage... you can lose plenty!

Safeguard your property investment today with Fire Insurance. Or, if you already have a Fire Insurance Policy, make sure that its amount is adequate in the light of your current property values.

Central District Board in
Kenosha County Picks
Architects for School

Salem, Wis.—The firms of Lawrence Monberg of Kenosha, and Bradley and Bradley, Rockford, Ill., have been employed as architects for the new Central High school by members of the school board.

These architects will work together in preparing plans and specifications for the new building which the board plans to have ready for use in the fall term of 1951.

Horace Fowler, director of the new school board, said the school's principal may be chosen yet this week to supervise the work for the board.

The selection of the architects followed eight weeks of traveling, interviewing, and meeting by the five-men committee and the three school board directors. The group traveled more than 1,000 miles and visited more than 15 schools in Wisconsin and Illinois in getting information on the work done by the architects under consideration.

The architects will work with the new principal and Al Buechner, supervisor in the state's school building department in drawing up the final blue prints. The same group is expected to begin work on the selection of the site within the next 10 days.

The director said the site will be chosen on the basis of best drainage, natural beauty, layout, traffic hazards, and cost of necessary improvements. He said there will be a district meeting within the next 30 days to make a final decision on the site.

Atty. James P. Moore
Named Co-ordinator for
March of Dimes Drive

Leo Poret, chairman of the Lake County chapter of the National Foundation for Infantile Paralysis, has announced the appointment of James P. Moore as Lake County co-ordinator for the 1951 March of Dimes.

Moore, a Waukegan lawyer, has been a resident of Lake County for nine years. He is a member of both the Illinois Bar and Lake County Bar Associations, and of the Trial Lawyer's group.

Moore has been active in County affairs for civic betterment and is particularly interested in juvenile problems. He participates in Boy Scout work as an assistant scout leader and acts as forward chairman of the P. T. A.

IN MEMORIAM
In loving memory of our dear husband, and father, William H. Lemker, who passed away 1 year ago today, November 7, 1949.
Not dead to us who loved him,
Not lost, but gone before;
He lives with us in memory,
And will forevermore.

Mrs. William H. Lemker
Harry and Gladys Wallace

CARD OF THANKS
We wish to express our thanks to our many friends, neighbors, and to Pastor Tuttle, the Eastern Star, and Wesley Circle and the various organizations for their expressions of love and sympathy shown during the long illness and passing of our beloved wife and aunt, Alberta K. Ross, who was laid to rest in Mt. Emblem, Elmhurst, Friday, Nov. 3. These acts of kindness during our deep sorrow will ever be remembered.

Leander C. Ross and nieces.

Card Of Thanks
We wish to extend our sincere appreciation and to thank all of our friends and neighbors for the many cards and flowers, which we received during our recent illness.

Mr. and Mrs. John Russo

Lack of Plasterers Slows
Work on Grade School

Slowness in the work of plastering is delaying the completion of the new addition to the Antioch Grade school, Richard Whitacre, principal, said.

One coat has been put on and another full week's steady work by the plasterers is necessary before the floors can be put in and the wiring and other work completed.

"The plasterers are having to move from job to job in filling up the back log of demands on their services," said Whitacre. If we only had them for a solid week, things would certainly move in our new addition."

The school board hopes to have the work completed by Dec. 15.

K. H. KNACKSTEDT
ATTACHED TO CARRIER
AIR GROUP

Kenneth H. Knackstedt, seaman apprentice, USN, husband of Mrs. Robert Jean Knackstedt, of Channel Lake, Antioch, who is attached to Carrier Air Group Seven embarked aboard the aircraft carrier USS Midway in the Mediterranean, is becoming well acquainted with the peoples and customs of the countries which border the Mediterranean.

During the month of September, the Midway visited Palermo, Sicily; Algiers, Algeria; Cagliari, Sardinia; and Augusta, Sicily, all in that order.

Other ports the local Navy man has visited since he boarded the giant carrier for the current cruise includes Gibraltar, Athens, Greece; Famagusta, Cyprus; Beirut, Lebanon; the Island of Crete; and the French Riviera. While the ship was anchored near Cannes on the Riviera, some of the personnel aboard took guided tours to Paris, France; and Switzerland.

Early Fall Polio Surge Depletes National, Local March of Dimes Fund

Returning to Waukegan after a regional meeting of March of Dimes in Chicago, Porett said the national foundation is now faced with its greatest patient load in history.

"It now looks as though there will be a total of 30,000 new cases of infantile paralysis this year," he said. "For the week ending Sept. 30 there were 21,537 cases."

"Epidemic aid of over \$6,500,000 has already been sent from the national office of the foundation to chapters which have exhausted their funds. Monthly drain upon the foundation treasury is now over \$1,000,000 a month. At this rate epidemic funds will be exhausted by Nov. 1.

Polio officials hope to remedy the situation by obtaining money from chapters with surplus funds. Advance gifts generally received in November and December before the regular March of Dimes drive in January will be divided and 50 percent of the contributions sent to national headquarters.

Lake county with 23 new cases and a backlog of 40 from last year has expended \$43,000 in caring for polio cases this year. The Lake County chapter is asking national headquarters for \$11,600 to carry it through this year.

"The situation is serious and it is hoped that the many working volunteers will be received with open hearts and pocketbooks in their endeavor to collect advance special gifts which will be credited to our 1951 campaign drive," Porett said.

He said the present crisis for the national foundation was due to record epidemic of over 42,000 cases last year. This added to thousands

of patients still requiring aid and the unexpected epidemics of 1950 drained the treasury.

So far, Porett said, the national foundation has shipped 436 iron lungs to places where they were needed to save lives. For emergency duty there were recruited this year 92 physical therapists, 1,452 nurses, and in addition, consultants, polio aid teams, epidemiologists and resident physicians.

Mrs. G. Fossland Named Seal Sale Chairman of Lake County for 1950

Mrs. Gerard Fossland of Winthrop Harbor has been named chairman of the 1950 Christmas Seal sale for Lake County, according to an announcement today by Dr. Theo. S. Proxmire, President of the Lake County Tuberculosis Association which will conduct a seal sale in the county from November 20 to December 25.

The seal sale in Lake County is part of the 44th annual Christmas Seal sale to be conducted throughout the country by the 3000 tuberculosis associations affiliated with the National Tuberculosis Association. The seal sale is the sole appeal of the voluntary associations for funds to conduct their year round programs of tuberculosis prevention and control. This year will mark the 42nd year that Christmas Seals have been sold in Lake Co.

This is the second year Mrs. Fossland has served as chairman of the tuberculosis Christmas Seal sale, Dr. Proxmire said. She was chairman last year when Lake County won the cup for the highest gross seal sale in the State of Illinois outside of Cook County. The total was \$43,055.42.

Best Watchdogs
In general the best watchdogs are said to be those with upright ears—ears that seem ready to pick up the slightest sound.

Short Term Enlistments Revived Army Recruiting Officer Makes Known

It has been announced by Sgt. Miles I. Lihn, army air force recruiting officer for this area that new regulation adjustments again authorize the Waukegan Recruiting office at 325 Washington st. to enlist men for 21 months and for 2 year enlistments.

This new ruling, effective immediately, applies to army enlistments only. Men desiring to enlist for the air force must still sign for 4 year tours. The 2-year tours are restricted to men with no prior military service. With the exception of the above all other eligibility requirements are the same as for 3 and 4 year tours.

The 21 month enlistment differs from the 2 year in that the applicant must be between the ages of 19 and 25 inclusive. Also, certain men with prior service in the armed forces can enlist under this category.

The importance of the revival of these short term enlistments, explained Sgt. Lihn, is that they include all the benefits and perquisites that go with the normal 3 and 4 year enlistments; such as being able to attend service schools of one's choice and applying for and attending Officer Candidate schools, whereas the draftee is not eligible for these and other benefits. Therefore, the sergeant added, it would be very much to the advantage of all draft eligibles to give serious thought and consideration to a short term enlistment rather than wait to be drafted.

Another important change just announced is that men enlisting for the Army will no longer have a choice of branch after Nov. 1 other than to enlist for Airborne Infantry or the Far East Command.

Dinosaur
The dinosaur might be called the "father of the vegetarian." Despite his great size, sometimes more than 40 tons, the monster fed only upon the tender leaves and foliage of tree tops.

Calves for Replacement
Raising calves for replacement purposes is practical and economical; they should be separately housed in dry and clean pens, fed good rations, and kept free of parasites.

The Baltic
The Baltic is an international lake for most of northern Europe. Called "the Mediterranean of the north," this sea has a shoreline more than 3,000 miles along. It is shared by nine countries.

Know the address... but not the name?

HERE'S how the Yellow Pages can serve you when you have the address of a certain concern, but can't remember the name.

Suppose you want the name of a retail furniture dealer on Main Street. Simply turn to the heading "Furniture Dealers—Retail" in the Yellow Pages. Run down the listings under this classification, checking for addresses on Main Street. In a matter of seconds, you'll probably have the name of the particular dealer you want. That's all there is to it. Works equally well, too, when you can't remember the address, or the exact name of a business concern.

Use the Yellow Pages when you want to locate—

- Where to buy almost any product or service, including those that are unusual and hard to find.
- Local dealers who handle nationally advertised services or trademarked products.
- Wholesalers or manufacturers when you wish to buy large quantities.
- Business or professional men with common surnames, such as Brown or Smith. It's easy to locate them in the Yellow Pages.

The Choice of Champions— DODGE "Job-Rated" TRUCKS

49 out of 86
champion truck drivers choose Dodge!

Champion drivers know champion trucks!

The nation's state champions... with proved reputations for safety records and driving skill... competed recently in New York at the National Truck Roadshow. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

FIRST TROPHY in the Straight Truck Class was won by Richard Wold, Glendinning Motorways, Inc., St. Paul, Minn. State Champion, drove a Dodge GA-152 1½-ton "Job-Rated" Truck.

FIRST TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by O. E. Chapman, Pacific Intermountain Express, Oakland, Calif. Chapman, Colorado State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

SECOND TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by Robert Rudesill, Glendinning Motorways, Inc., St. Paul, Minn. State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by Harry W. Pollock, Johnson Motor Lines, Inc., Baltimore, Pollock, the Maryland State Champion, drove a Dodge "A-142 4-ton "Job-Rated" Truck.

THIRD TROPHY in the Straight Truck Class was won by R. D. Wallace, Johnson Motor Lines, Inc., Charlotte, Wallace, who is North Carolina State Champion, drove a Dodge GA-152 1½-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Single-Axle Semi-Trailer Class was won by Frank Kirkpatrick, Columbia River Truck Co., Portland, Kirkpatrick, the Oregon State Champion, drove a Dodge JA-128 2½-ton "Job-Rated" Truck.

SALEM

Mr. and Mrs. Milton Patrick spent Sunday evening with Mr. and Mrs. Byron Patrick.

Little Jimmie Barthel, son of Mr. and Mrs. Louis Barthel, underwent a tonsillectomy at St. Therese hospital at Waukegan on Thursday.

Mr. and Mrs. Clarence Imrie and children, of Burlington, spent Sunday evening with Mr. and Mrs. Robert Imrie.

Mr. and Mrs. E. H. Hartnell and Mr. and Mrs. Byron Patrick were dinner guests of Mr. and Mrs. Frank Wheeler, of Silver Lake on Thursday evening.

Mrs. Janet Fletcher spent the weekend with Mr. and Mrs. Ogden Fletcher in Chicago.

Jennie and Josie Loescher have returned from La Grange where they spent several days with Mrs. Ethel Oakfield.

Mr. and Mrs. David Elfers spent Sunday evening with Mr. and Mrs. Martin Schenning.

Mrs. Charlotte Bloss spent Sunday with Mr. and Mrs. Clarence Crowley, of Antioch.

LAKE VILLA

Lake Villa Woman's Society of Christian Service will go to Antioch on Wednesday, Nov. 15, when a speaker from the Halsted St. Institutional church in Chicago, will tell of the work being done there, so no meeting will be held here.

At the last meeting of W. S. C. S. at the church last week Wednesday evening, the members of the Halcyon group were invited guests and had a very good attendance. Mrs. Helen Weber led the devotional period and Rev. Harrison gave a talk to the ladies concerning their work. Mrs. Perry and Mrs. Blust were in charge of the recreation period and showed a picture on Forestry after a number of games. A committee consisting of Helen Weber, Stella Pedersen, Gertrude Willey, Mary Nelson and Mrs. Makert served coffee, also apple pie and cheese.

Mrs. Olga Fischer, of East Shore Gardens was pleasantly surprised last week when her sister, Mrs. Asta Nielson, of Wortondyke, N. J. came to visit her after attending the wedding of a niece in Oak Park. Later in the week, her brother, Sigurd Christiansen, of Chicago, came out with another sister, Mrs. Nanda Willmer, of Brooklyn, N. Y., and they had a pleasant family reunion. Mrs. Fischer's daughter, Mrs. Walter Sorenson, helped her mother to entertain the group.

Mrs. Stella Pedersen entertained the ladies of the Sewing Club at a luncheon at her home on Oak Knoll Drive last Thursday afternoon.

Mr. Herman Ducommun visited his daughter, Mrs. Roy Short and family, near Ladysmith, Wis., a few days last week.

Mrs. Harry Weber is a medical patient at Victory Memorial hospital with virus pneumonia.

Charles Hexom, telegraph operator on the Soo Line, recently working at Waukesha and transferred to Oshkosh, Wis., spent last week helping out at the Dalgaard grocery.

Mr. and Mrs. Lester Bunkelman had Mrs. Bunkelman, Sr., of Fond du Lac, Wis., as guest all of last week.

Mr. and Mrs. Ellsworth Ladewig and family have moved to the cottage adjoining the Jake Fish home

and Mrs. Alice Meyer will occupy the apartment they vacated in the upper flat of the Fish home.

Mr. and Mrs. John Meyer have moved to a cottage in Venetian Village east of the village.

Mr. and Mrs. Philip Wagner, Jr., have recently purchased the Meyer home on Grand Ave., and will move in the very near future.

The Royal Neighbors will hold their next meeting on Tuesday evening, Nov. 14, at the home of Mrs. Paul Avery, Sr. They will meet at 7 p. m. for their annual turkey dinner and hold meeting later.

Trains on the Soo Line were delayed for several hours after a freight hit some obstruction on the tracks south of town Friday night and tore up several feet of track,

but section men had it ready for use Saturday morning. No one was injured.

Mr. and Mrs. O. Johnson and son, Ronald, of Oak Forest spent Sunday with Mrs. Johnson's sister, Mrs. Wm. Walker, and family.

Winter Storage
In packing away winter things, use gummed tape to seal clothes in chests, bags, boxes or paper. This keeps out moths, dust, light and sun. All are bad for woollens. Store clothes in a cool, dry place if possible.

Built for tough service — all ways!

CHEVROLET TRUCKS

with Chevrolet's Hypoid Rear Axle

Single-Unit Housing

Here's maximum strength... longer trouble-free service! Chevrolet rear axle housings are formed into tubular steel beams; no bolts or rivets to work loose.

Full-Size Inspection plates

Easy-to-remove, one-piece inspection plate saves time and labor... provides full view of rear axle gears when removed.

Splined Axle-to-Hub connection

Splines—not bolts—deliver the driving power evenly—without strain—on all heavy-duty models. Loose axle shaft bolts and costly grease leaks are eliminated.

Straddle-Mounted Pinion

Gears last longer... pinion gear is supported at each end by ball bearings to keep it in mesh. Adjustable thrust pad prevents distortion of ring gear when starting heavy-duty trucks with heavy loads.

4-Pinion Differential

Load and shock of heavy loads are distributed over four pinions instead of two in all Chevrolet medium- and heavy-duty trucks—for longer axle life and greater strength.

Chevrolet trucks are engineered to "take it" on the roughest, the toughest jobs. The single-unit design housing and splined axle-to-hub connection of Chevrolet's hypoid heavy-duty rear axle mean strength and stamina found in no other truck rear axle in Chevrolet's class. Combine that with other outstanding Chevrolet features... powerful Valve-in-Head engines, Synchro-Mesh transmissions, channel-type frames with alligator-jaw cross members! Here is the truck that can handle tough jobs... America's most popular truck. Come in and see these great Chevrolet trucks today.

Plus CHEVROLET ADVANCE-DESIGN TRUCK FEATURES Two Great Valve-in-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch • Synchro-Mesh Transmissions • Hypoid Rear Axles • Double-Articulated Brakes • Wide-Base Wheels • Ball-Type Steering • Unit-Design Bodies • Advance-Design Styling.

V.F.W. Commander-in-Chief Scored Inequities in Call Of Reservists, Guardsmen

Kansas City, Mo.—Inequities in present regulations regarding the call to active duty of reservists and guardsmen and of men drafted for the armed forces were scored today by Commander-in-Chief Charles C. Ralls, Veterans of Foreign Wars of the United States.

Ralls said that the present system of calling national guardsmen and reservists, without regard to family ties, former disabilities or other causes for which draftees are deferred, is not compatible to the V. F. W.

He called for early revision of these regulations so that a more balanced and justifiable program could be arranged in building up Armed Forces personnel.

"Men who have served their country," Ralls declared, "have never hesitated to answer that call again; but we do feel that there should be an equalization between those who have never worn a uniform and those men who have previously jeopardized their safety in the nation's interest."

"One glaring inequity seems to be that inactive Reservists with service disabilities ranging up to 30 per cent or more are being recalled and placed on limited active duty. Certainly, some of the deferred draftees could also serve on limited duty where some physical qualities may be lacking."

"The V. F. W. is also on record as favoring the advance of the draft age to 35 years and tightening up on deferments which might give the Selective Service Boards a greater opportunity to work out a justifiable program," he said.

"While I understand that the House Armed Services committee, of which Rep. Carl Vinson is chairman, has under consideration corrective legislation to present to Congress upon its return to Washington on Nov. 27, the V. F. W. feels that something should be done for those who have already been inducted under this unequal setup."

"It seems to us to be eminently unfair to call Reservists and

Guardsmen regardless of age or disability, dependencies and jobs which they now hold, and then to exempt them from the draft men over 25 years of age with a dependent. Most of these Reservists have already seen active military service in World War II.

"This manner of selection," Ralls continued, "for Armed Forces duty seems to place the burden pretty much on the veterans, many of whom have already served a num-

ber of years on active duty—and in combat.

"The Veterans of Foreign Wars

sincerely hopes that Chairman Vinson and his committee will wipe out these inequities and see to it that the disparity now prevailing between the two groups will be ended," Ralls concluded.

MILLBURN

Regular services at Millburn church, Nov. 12, with Sunday school at 10 o'clock and worship service at 11 o'clock, when Rev. L. H. Mesersmith who is attending the annual National Convocation of Town and Country churches in Columbia, Mo., this week, will bring a report of the meeting.

The annual turkey dinner sponsored by the Millburn Temple Association will be held in Millburn church Friday evening, Nov. 17, with serving from 5 to 8 o'clock. In connection with the dinner, a Fall Festival will be held in the Masonic hall.

About 575 people attended the 51st annual chicken dinner and bazaar last Friday evening, making it another very successful affair. Various committees and all who helped in any way are to be thanked for the success of the evening.

"Wild Beauty" is the title of the sound movie sponsored by the Men's Club to be shown in the church recreation room, Nov. 13, at 7:30.

Members of the Mylo club will hold a bakery sale at the E. A. Martin store on Saturday, Nov. 11 beginning at 10 a. m.

Mr. and Mrs. Oscar Neahous were dinner guests at the Chris DeYoung home Sunday.

Mr. and Mrs. Ralph McGuire of

Rhineland, spent three days at the W. H. Miller and Lloyd Atwell home at Lake Villa.

Mr. and Mrs. Ed Hoffman and sons spent Sunday afternoon with Mr. and Mrs. John Thomas at Thomas' Corner.

Mr. and Mrs. Gus Korthour, of Chicago, were dinner guests at the home of Miss Vivien Bonner Sunday. Mrs. Louisa Stewart returned home with them, after a week with Miss Bonner.

Mrs. Kenneth Denman, who was a surgical patient at St. Therese hospital returned home Wednesday.

Mr. and Mrs. Gordon Wells and daughter, Lucille and Mrs. Janette Wells, of Hickory, spent Sunday afternoon at the Savage home.

Mr. and Mrs. Vernon Stahnke, of Elmhurst, spent the weekend at the Leslie Bonner home.

Philip McDonald, of Rockford, spent Sunday with his father, A. B. McDonald.

Mr. and Mrs. W. C. Upton spent three days in Escanaba, Mich., where they attended a dinner meeting at the Veteran's Association of the Chicago and Northwestern Railroad.

Mr. and Mrs. Robert Clark and Mrs. Ida Truax were supper guests at the James Lahey home Sunday evening.

Mr. and Mrs. Howell Kenimer entertained a group of twenty young people in the church recreation

room Saturday evening in honor of their son Walter's birthday anniversary.

Mrs. John Halsma and Mrs. Ray Boller were heard over WKRS on the P. T. A. Council program last Thursday.

Mrs. J. S. Denman is a patient in Victory Memorial hospital where she submitted to surgery for the removal of a cataract from her eye last Friday morning.

Mr. and Mrs. Herbert Messner and son, Herbert spent Wednesday in Chicago.

Dramatic Stairway

A distinctive modern stairway is painted in interesting tones of red and gray. The stair treads are painted, alternately, in two different tones of red to increase the visibility of separate treads. The risers, starting at the bottom with a deep tone of gray, are painted in progressively lighter shades as the stairs ascend. The effect is both dramatic and beautiful.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one

this year. But we're speaking here of new owners only.

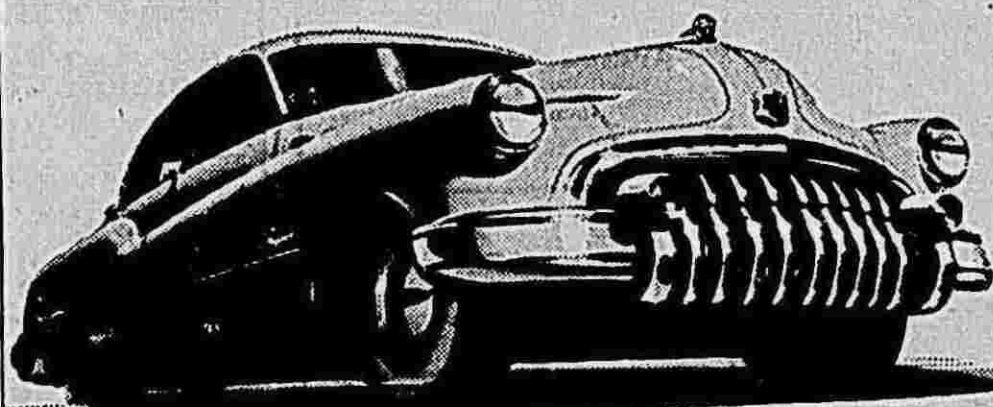

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflo Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

When better automobiles are built BUICK will build them

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Threat Notes, Bullets In Mail Boxes Believed To Be Work of Crank

Joseph Hucker, Lake Villa postmaster, believes that the person who recently loaded the mailboxes of three Fox Lake families with 20-gauge shotgun shells wrapped in typewritten notes warning them to "beware of the dead bullet gang" is a crank, or a mentally deranged person.

The shells and notes were placed in the boxes of Dr. Jacob Nemeroff, Chicago physician; Paul Casey, manager of the Spiegel store at Waukegan; and George A. Greeblee, head of a Chicago lithograph company, all living within one block on the east shore of Fox Lake.

Greenlee reported his find to deputy sheriffs who found identical notes in the mail boxes of Casey and Dr. Nemeroff. A fourth note was found on the lawn in front of the Casey home.

Casey also received mysterious telephone call from a man who sought information about him and Dr. Nemeroff, saying he was seeking the information for the telephone company.

Former Antioch Resident To Be Buried at Madison

Mrs. Emilie Fox, 70, a former resident of this village, died Saturday in Richmond, Wash., and the body was taken to Gunnerson chapel in Madison, Wis., where the funeral service will be held tomorrow.

Mrs. Fox moved from this community to Madison about 25 years ago. She is survived by three daughters and two grandchildren.

Telephone Co. Wants...

(Continued from page 1)
telephones will not be affected by the new rates.

"The company will net about \$2,500,000 after taxes and other expenses. This is a compromise between the amount granted by the Commission in 1949 and the amount requested by the company two years ago," McCorkle stated. The increase was filed to be effective on 30 days' notice.

Under today's filings five-cent calls from all Bel public pay station telephones and semi-public pay phones in Illinois would be increased to 10 cents a call. There are ap-

Needs Blood Donations

An urgent appeal for blood donors for Richard Gyzen, Holdridge rd., Wadsworth, who is at Billings hospital, Chicago, suffering from a stomach ailment, has been made by his wife. Gyzen, an employee of the American Steel and Wire Co., for 23 years needs blood transfusions to combat a stomach ailment. Transportation to Chicago will be provided. Any person wishing to donate may call Mrs. Gyzen after 5 p. m. daily at Maj. 3760-Y-4.

proximately 48,000 such phones in Chicago and 17,000 in the rest of Illinois Bell territory in the state. Here in Antioch there are 72 and Lake Villa 30 such phones out of a total of approximately 2,000 and 900 respectively.

While the bulk of the increased revenue will come from the public telephones, the new tariffs also provide for increases in service connection, move and change charges. All of these are one-time charges, applicable to those ordering telephones installed or moved. This charge will result, the company stated, in those persons bearing a fairer share of the actual cost incurred in installing or moving a telephone.

Another change affects about 20,000 business users in Chicago whose regular service is of the business coin box variety (not public coin). The number of calls included in the guarantee for 1-party business coin box customers is reduced so as to be consistent with the new public and semi-public coin rates. The charge for additional calls over those included in the guarantee is increased for both 1 and 2-party business coin box customers.

The ten-cent rate for public telephone calls has been authorized in the states of New York and Minne-

sota and parts of South Dakota and Chicago and 17,000 in the rest of Illinois Bell territory in the state.

A practical conversion problem faces the Bell Company in adapting the present five-cent slot to ten-cent operation. It can not apply the new public coin rates in any event before early next year. The nickel slot must be retained for long distance calls, but must be made inoperative for one nickel. For local calls, two nickels or a dime will operate the mechanism after the change.

The company revealed that much of the revenue from public telephones is derived from toll calls, the charges for which are unchanged. A large part of the usage is by transients.

The purpose increase in pay station rates is part of a case which goes back to 1948. After a full year of hearings, the Illinois Commerce Commission on Oct. 7, 1949, granted Illinois Bell an increase; but it was \$11,000,000 less than the company requested. Rehearing applications were filed by the company, the City of Chicago, Cook County and other municipalities—but all were denied by the Commission. The Company then appealed the Commission decision on the grounds that the increase was not sufficient to meet increased costs of operation and the City of Rev.

LEGAL NOTICE

PUBLIC NOTICE

Notice of Proposed Change in Schedule

To the Patrons of the Illinois Bell Telephone Company:

The Illinois Bell Telephone Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission a proposed change in its rates and charges for telephone service in the State of Illinois and that said change involves an increase in the rates and charges for public, semi-public, and business coin box services, for service connections, moves, and changes and for the installation of 1A key telephone systems.

A copy of the schedule showing the proposed change in rates and charges may be inspected by any interested party at any business office of this Company.

All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois. Illinois Bell Telephone Company, By L. G. Bratton, General Commercial Manager.
